

Protocol When Getting Home

- ✓ Take shoes off before entering your home
- ✓ Clean top and bottom of shoes with alcohol or disinfecting wipes
- ✓ With the same cleaner, wipe down keys, cell phones, & any other items that were touched while providing care
- ✓ Throw away any papers or receipts not needed
- ✓ Don't touch or sit on any furniture
- ✓ Take your clothes off and put them in washing machine or laundry bag. Wash clothes with warm water
- ✓ Take a shower

You're ready to be around others in your home!
